Are You in the Right Place?

Are you new to Vermont Health Connect?

If so, there are many ways to apply for health coverage. You can also apply online at VermontHealthConnect.gov, over the phone at 1-855-899-9600 (toll-free), or in-person with a Navigator or broker.

If you already have a Vermont Health Connect account, please do not use this form. Instead, call 1-855-899-9600.

Want help with costs?

STOP! This is the wrong application for you. This application is only for Vermonters who do not get coverage through their jobs and do not want to find out if they qualify for financial help.

An individual earning up to \$46,680 or a family of four earning up to \$95,400 may qualify for financial help. To see if you qualify for help, visit VermontHealthConnect.gov or call 1-855-899-9600.

Want multiple plans?

Your spouse and/or dependents may enroll in their own unique health plans (e.g., dad and children select BCBSVT Gold and mom selects MVP Bronze, rather than enrolling in a family plan). If using a paper application, you must fill out separate applications.
